A GUIDE TO OUR BUSINESS AND PERSONAL LEGAL SERVICES

Intelligent legal advice from people who take good care of you and your business
At Willans, our approach is a truly personal one. You will always know who you are dealing with and you will have access to them over the phone or by email when you need them. You can also rest assured that all our work is handled by a hands-on, experienced lawyer.

In fact, our firm renowned for our distinctive mix of top-quality lawyers, delivering outstanding advice that has been highly rated in the legal guides, Chambers and The Legal 500. This expertise is not confined to just one department or sector, either.

You will benefit from the guidance of leading practitioners working across our commercial and our personal services. We have a wealth of experience working with organisations within a wide range of sectors, including charities, manufacturing, financial, technology and agriculture.

Together, all this helps us to deliver the service you deserve and the outcome you’re happy with:

- Straight-forward and practical advice that’s easily understood and clear
- Expert guidance for local, national and overseas clients
- Partner-led approach so you always receive an outstanding level of advice
- Capable partners for complex cases and contentious matters
- We advise multiple generations of business-owning and farming families.

OUR BUSINESS SERVICES

Solid support to help your business at every stage of its life

No matter what type of business you have, you will inevitably need legal support at some point during its life to help it grow and evolve.

When that time comes, our business legal team are amongst the brightest legal minds to have on your side. We’ll answer your questions, allay your concerns, and provide clear, robust guidance to leave you confident in the direction to take.

Our approach is to communicate clearly, openly, and honestly with you at every stage; building a relationship that you depend on, no matter where your business takes you.

Corporate: Clear, sound and dependable advice on a wide range of corporate issues; sales, mergers and acquisitions, setting up a business, business funding and investments, business reorganisations, company law advice, succession planning, and business ownership agreements.

Commercial: Meticulous, bespoke and reliable advice for your mergers and acquisitions, disposals and MBOs, as well as guidance on intellectual property, digital media, e-commerce and data protection.

Employment & business immigration: Innovative and smart approach for a employment law matters, including those which are sensitive and complex: employment disputes, redundancies and transfers, difficult employees, fixed price employer support, business immigration.

Litigation/dispute resolution: Capable partners for when you or your business is facing a dispute: company and partnership disputes, property litigation, contractual disputes, intellectual property disputes, professional negligence disputes and debt recovery. We also have accredited mediators within our specialist team.

Commercial property: Outstanding technical expertise for landlords, tenants, banks and other financial institutions on a huge range of property and construction issues; acquisitions and sales, leases, property finance, disputes, land development, agricultural and rural affairs.

Agricultural & estates: Realistic, practical solutions from a team that understands rural issues; buying and selling, options and promotion agreements, agricultural tenancies, renewables, partnerships and business structures, employment.

Rural business: We advise on a wide range of issues facing rural businesses, providing practical solutions on both commercial and property matters affecting agri-businesses. Our team acts for landowners, purchasers of prime agricultural property, equestrian businesses and farming partnerships.

Specialist sectors: Our multi-disciplinary teams offer in-depth experience and understanding in key business and industry sectors. These include technology, professional practices, engineering and manufacturing, sports & media and charities and not-for-profit organisations, to name a few.

Sensible, practical legal guidance that’s easy to understand and eases your worries

If there is one thing you want from a solicitor when it comes to your personal matters, it’s to be communicated with and listened to at all times. You also need the legal advice you receive to be of the highest quality, from people with experience.

We work with you, guiding you with dependable, solutions-focused legal support and advice. For complex contentious and non-contentious personal issues, we provide clarity and specialist knowledge to help you achieve the outcome you want. For day-to-day legal matters, you can also be sure you’re in very good hands - we respond and act quickly, to move things forward successfully.

This transparent approach has kept generations of families coming back to Willans.

Family, relationships & divorce: Legal guidance on all aspects of family law, from highly experienced lawyers, for clients including high-net-worth individuals and those in the public eye. We can help with divorce and separation, children, and pre-nuptial and civil partnership agreements, no matter how complex.

Property: Proactive, responsive advice for individuals, developers, companies and farmers: buying and selling residential property, buy-to-lets, freeholds, enfranchisement claims, lease extension, re-mortgaging, transferring a share or property, property development, and buying or selling rural property or land.

Wills, trusts & probate: Practical and sensitive support to help you plan your own future, or to handle the affairs of someone else. Whatever stage of life you’re at, turn to us for: wills, powers of attorney, asset protection and trusts, probate, probate fixed price services, probate disputes, protecting your business interests, matters relating to the elderly and vulnerable.

Disputes: Pragmatic, professional guidance when personal matters become contentious: residential tenant and landlord disputes, professional negligence claims, contractual disputes, property disagreements and inheritance, and probate disputes.

Employment law: Workable solutions and clear guidance if you’re working for an LLP, multinational, family business, or working for yourself: shareholder, partnership and LLP disputes, employment contracts, unfair and wrongful dismissal, discrimination, maternity and paternity rights, executive severances.

Agriculture & estates: We offer specialist legal services tailored to the rural community, advising on issues affecting landowning and farming families and those involved in the equestrian world.
